\$50,000.00+	0.16%	0.16%	\$50,000.00			

### TRUTH-IN-SAVINGS DISCLOSURE

Except as specifically described, the following disclosures apply to all of the share accounts described in this Truth-in-Savings Disclosure.

1. **Rate Information.** The Annual Percentage Yield (APY) is a percentage rate that reflects the total amount of dividends to be paid on an account based on the dividend rate and frequency of compounding for an annual period. The dividend rate and APY may change at any time based on the current rate environment. We reserve the right to adjust our dividend rates and set up tiers (groups based on balance on the account) at any time without prior notification to members. The Money Market and Business Money Market account are tiered-rate accounts. Each of these accounts has a minimum balance of \$5,000.00 to earn the stated dividend. If your account balance is less than the minimum balance requirement, your Money Market and Business Money Market savings will not earn any dividend. For all other accounts, the dividend rates and APYs are the prospective rates and yields the Credit Union anticipates paying for the applicable dividend period.

2. **Nature of Dividends.** Dividends are paid from current income and available earnings after required transfers to reserves at the end of the dividend period. The closure of an account prior to dividends posting will result in the forfeiture of dividends.
3. **Dividend Calculation, Compounding and Crediting.** The daily balance method is used to calculate the dividends on your account. This method applies a daily periodic rate to the principal in the account each day. All dividends are compounded daily and credited monthly.
4. **Club Accounts** will be paid out annually on October 31st. Members will receive funds by pre-scheduled transfer to another Clackamas Federal Credit Union account or by check. Deposits can be made in one lump sum or accumulated up until the annual payout. Withdrawals made from a Club Account prior to the annual payout will incur a \$5.00 fee for each withdrawal. Club Accounts with a zero balance after January 1st each year will be closed without further notice. Amounts up to \$7,600 will receive the stated Dividend Rate. Amounts over \$7,600 will receive the Regular Share Dividend Rate.
